

# Center for Research on Race and Ethnicity in Society

Indiana University, Bloomington

## Join us for coffee with photographer **Cedric Nunn**

Friday, Sept 25 from 10:00-11:00am  
Schuessler Institute for Social Research (SISR)  
1022 E. 3rd Street (corner of 3rd & Hawthorne)  
Room 100

In his newest work, *Unsettled*, Nunn documents the terrain of the Eastern Cape in South Africa, where colonial settlers and the Xhosa people fought a series of wars lasting for a century that resulted in the subjugation of the Xhosa. Nunn's photographs reclaim that history by engaging with the landscape of Xhosa resistance.

All are welcome!
